COSTANTINE

BONIPHACE

SOFTWARE DEVELOPER

EDUCATION

University of Dodoma | Dodoma, Tanzania
Bachelor of Science in Computer Engineering (Deferred in 2024)
Completed 2 years of study with coursework in programming, data structures, computer networks, and digital systems.
KANADI Secondary School | Tanzania
Advanced Certificate of Secondary Education (A-Level)
Combination: PCM (Physics, Chemistry, Mathematics) – Successfully completed.
LWANHIMA Secondary School | Tanzania
Certificate of Secondary Education (O-Level)
Passed national examinations with a strong foundation in science and mathematics.

EXPERIENCE

FRONTEND DEVELOPER
Afrigotech | Dodoma, Tanzania | July 2024 – Present
- ● Built and maintained responsive user interfaces using Flutter for mobile applications and React for web platforms.
- ● Collaborated with cross-functional teams, including designers and backend developers, to implement intuitive UI/UX designs and integrate APIs.
- ● Participated in the full software development lifecycle, from planning to deployment, ensuring clean code practices and optimal performance.
- ● Contributed to the development of Shule Kiganjani, an education management app available on the Google Play Store.

DEVELOPER INTERN
TENTEN INC | Tanzania | Field Training – 2022
- Joined as a frontend intern during university field placement
- Gained hands-on experience in web and mobile application development
- Participated in real-world projects under senior developers' supervision
- Worked on UI design, bug fixing, and feature implementation
- Learned team collaboration, Agile methodologies, and Git version control
